

Education Protect

At **Ecclesiastical**, we understand that operating an educational facility presents greater challenges than ever before. From providing a safe learning environment for students, teachers and staff, to protecting your premises and contents, you must deal with a range of new challenges—IT resilience, information and cyber security, and social media, among others. Identifying and managing these risks must be top of mind in order to safeguard your community and avoid legal and reputational harm.

As a leading Canadian specialist insurer, **Ecclesiastical's** products and services are tailored to meet the unique requirements of educational institutions. We recognize the need to balance budgetary constraints with sufficient insurance coverage. We also understand and want to help you avoid the sometimes-tragic consequences of underinsurance. We will work closely with you to provide comprehensive and affordable insurance programs that will meet your current and evolving needs.

Ecclesiastical's Education Protect product has been developed with the input of customers. It delivers effective insurance protection by providing necessary coverages at competitive prices, including:
